Hi Valois

Sure, of course I can speak with you--how about 1 PM eastern time?

Matt

Hi Matt,

We are nearing the time when I need to write something up about how we will proceed with the NHPA Section 106 process for Dewey-Burdock. It would help to talk with you about the format & content. Also I reviewed a number of guidance documents a couple of years ago, so I need to go back & review some of them again. Any help you can give me on which documents to focus on would be great.

Would any particular time work best for you tomorrow?

Thanks!

*Valois*
